REPORT OF THE LIBRARIAN

Of the Smyth Public Library, Together With That of the Treasurer of the Association for 1934

A notable event in the history of our library occurred November 3, when the beautiful new library building, the gift of Mrs. Marion C. Smyth, was formally dedicated, and presented to the town. The program of the occasion was as follows:

Welcome, Mr. Paul E. Sargeant, President of the Smyth Public Library Association; Invocation, Rev. Henry J. Chandler, Pastor of the Congregational Church, Candia; Library History, Mr. George F. Cass, Librarian, Smyth Public Library; Presentation, Mrs. Marion C. Smyth; Acceptance for the Trustees, Mr. George W. Beane; Expression of Appreciation, Mrs. Abbie M. Peterson; Greeting from a library neighbor, Miss F. Mabel Winchell, Librarian, Manchester City Library; Library Organization of the State, Miss Dorothy Annable, Secretary of State Library Commission; Address, Recollections of Ex-Gov. Frederick Smyth, Dr. Charles H. Pettee, Dean of the Faculty, University of New Hampshire; A Thought from the Children, Miss Marjorie Jean Redman. Prof. James A. Tufts of Exeter, a member of the State Library Commission, was present and spoke briefly.

Miss Peterson's report of the circulation of the library for the past year is as follows:

CIRCULATION FOR THE YEAR

Number of volumes lent during the year		8092
Fiction	7047	
Non fiction	1045	
Total circulation		8092

Circulation per capita (population 812)	9.97
Number of borrowers, 118.	
Number of volumes at beginning of the year.....	5781
Number of volumes added	123
Total number	5904
Number of volumes lost or discarded during the year	11
Number of periodicals taken during the year	
Circulation of periodicals	174[illegible]

Most popular authors: Hill, Loring, Snow, De la Roche, Lincoln, Bassett.

Most popular periodicals: American, Good Housekeeping, Popular Mechanics, Geographic.

There has been a sharp decline in our circulation as compared with 1933, which we believe is due to the fact that we are able, only in part, to satisfy the demands of the reading public for the new and popular books of the day. It should be remembered that our revenue from invested funds is much less than in former years and the price of books continues high.

We are glad of the opportunity to thank our friends for their generous contributions of books and periodicals received during the year. In this period of depression such gifts are of great value to us and we certainly appreciate them.

GEORGE F. CASS,

Librarian.
